	Rock/Mineral ID kit (Hardness, Density, Streak) from GEL1010				
	Chemical ID kit from GEL3050				
	Pocket microscope				
	Water bottle (for analysis)				
	Lighter				
	Magnets (Keep those far away from your Brunton™, especially during transport).				

Clothing & Personal Items for Field Work				
	Good hiking boots (broken in)! Do not try to break in during field course.			
	Quality hiking socks			
	Sun glasses that can double as safety goggles.			
	Rain coat or poncho (small roll-up to carry in backpack)			
	Hat and Beanie hat. You are often in full sun. High elevations may get sensitively cold, even in Summer.			
	Sunscreen, sunblock.			
	Gloves, for handling rough rocks and against cold.			
	Drinking Water.			
	First aid kit, especially band-aids.
